

Dear Donor,

As a recipient of the 2021 “University of Ottawa Active and Retired Administrative Staff Scholarship”, I wish to extend my deepest gratitude and appreciation for your support towards my education. Additionally, I would also like to thank you for establishing this scholarship.

I am currently completing my second year of the Bachelor of Commerce and Juris Doctor program at the University of Ottawa. I deeply enjoy learning about corporate finance and how the world of business functions. Furthermore, I am inspired by my surroundings and enjoy the challenge of constantly striving to make the world a better place. I have been the founding and steering committee member for numerous mentorship programs, support groups, and mental health awareness activities in the community. Moreover, my active involvement with many Telfer and uOttawa clubs has given me the opportunity to enrich my skills and contribute better resources to our students. An earnest curiosity for learning, combined with my passion to support others around me, has shaped me into the woman I am today.

This scholarship will contribute to my education and support me in my academic achievements. Thank you again for your investment in students like myself and our education. By awarding me with the “University of Ottawa Active and Retired Administrative Staff Scholarship”, you are allowing me to focus more on my learning, and less on working long hours to fund my education. I hope that one day I will also be able to help students achieve their goals like you’ve helped me. Thank you for making this possible.

Sincerely,
Emily Vaanaka Naveenan
