

Dear Donor,

Thank you for establishing the University of Ottawa Active and Retired Administrative Staff scholarship at the University of Ottawa. It is an honour to be one of this year's recipients. I am incredibly grateful for your support in my pursuit of post-secondary education.

I'm currently in my fourth year of political science and history in the Joint Honours program through the Faculty of Social Sciences. Along with being a French immersion student, I have been very active throughout my degree and appreciate being recognized for my work. After my studies at the University of Ottawa, I hope to earn my Master's degree in political science and then pursue a career in either the civil service or politics.

By awarding me this scholarship, you have lightened my financial burden which allows me to focus more on my education. Your generosity has inspired me, as I hope to one day be able to help students achieve their goals just as you have helped me. Thank you again for your support.

Kind regards,

Kaitlin Gallant
